Mike Rowe

Manager

Academy Sports and Outdoors

445 Forest Square

Longview, Tx 75605

Dear Mr. Rowe,

As I was scrambling through longview and also social media sites for a job that would not only suite my benefits but also would contain the methods that I enjoyed best. When I had finally found the job ad outside of "Academy Sports and Outdoors" I realized all the standards had met my needs that were exactly what I was looking for. Being apart of such a family friendly organization would be perfect for my schedule, and I would be given the chance to achieve any certain task.

Being apart of the well known White Oak basketball program, and greeting the people that walk through the doors at church on sunday mornings is something I believe has matured me into the person I am today. I have been very dedicated in my school work or anything I'm involved in to achieve success. Academy has always been the go-to place for myself as well as many other to receive the products needed for their own good. And I would love nothing more than to be apart of the Academy legacy that you have helped build.

If you have time I would really like to meet with you about me joining the staff to show you the dedication I would be willing to put forth if received the job. My cell phone number is 903-555-9110 and the most convenient time to reach me is after 4:30 on weekdays. Or if you would rather me call you just let me know the best time is.

Thanks, in advance, for your consideration, Mr. Rowe

Sincerely,

**Alyia Hall**
